PRESENTED BY THE
SENIOR CLASS OF

1942

ETOWAH HIGH SCHOOL • ETOWAH, NORTH CAROLINA

FOREWORD

The Chief for 1942 is another step on the road showing the educational progress of our school. The Senior Class hopes that it is a true representative of the activities of the school and the great work that it is striving to accomplish.

The ideal of the school is to develop both the mind and the body as the development of one without the other will produce an unbalanced man or woman. Good citizenship is the ideal goal for all Americans.

We wish to express our sincere appreciation to those who have aided in producing this volume. We wish to thank the advertisers, without their aid this book would not be possible.

DEDICATION

With respect and admiration, we, the Senior Class and the Staff of *The Chief*, wish to dedicate this annual to the boys in the armed service of our country. While it is not possible to secure a complete list of the former students and graduates that are in the service, below is a partial list and to them and all others, wherever they may be, we wish to express our humble gratitude and assure them that our prayers and most earnest efforts will support them in every way possible.

GOODBYE, ETOWAH

Vera Allison

Our happy school days, friends are o'er.
Bountiful pleasures once, but never more.
These classrooms, playgrounds, and familiar faces,
Will live with us in other places.

Goodbye Etowah, through tears that gleam.
May we be true to thee in all life's scenes.
Let thy name be a shining beam,
To guide us onward toward our dreams.

As we labor on, our tasks to face,
May we attribute to the human race.
Always stand up for the right,
Led by the gleam of your shining light.

When parting hours draw nigh alone,
We'll gladly reap what we have sown.
May wisdom lead us gently so,
When onward through our life we go.

Dear Etowah, the parting time has come,
When we each through life must roam.
Though we scarce believe it's true,
Our work now with you is through.

Now the days are gone forever.
Wasted moments by us are severed.
We have not another chance,
Deeds must future hours enhance.

The farewells must now be spoken.
Schoolday ties forever broken.
Sweet memories have found a place,
Which future time cannot erase.

Class Prophecy

MARY ALICE MERRILL

Year after year for two decades, since that eventful April night in 1942, when 16 optimistic seniors received diplomas of graduation from the Etowah High School, Father Time has rolled back the scroll and each time we have passed into a new year filled with events. Some we have worked and planned for; others came unannounced out of an unknown horizon. Some were pleasant, some sad, but the whole are a union well worth remembering. I now find myself reminiscing over the past, and summing up its accomplishments for the class of 1942.

Mrs. Bill Pearce, the world famous mezzo-soprano, is now singing on the Grand Ole' Opera. The Misses was formerly Julia Davis of Etowah High School.

Margie Merrill, famous movie star, is now working on a great all-talking picture, known as the "Heartbreaker," with Little Abner as her leading man.

Bill McKinna, second Lindbergh, has successfully completed a non-stop solo flight from New York to Australia. It was a difficult flight, but with such a wife as Daisy Mae waiting, who could fail?

Stella Allison, Superintendent of Nurses' Training School of Johns-Hopkins Hospital, has published a book on "How to Cure the Dreaded Disease, Love."

Flossie Metcalf has just been announced world champion woman boxer. We might have known Flossie could sling a wicked right.

Mrs. J. P. Huggins has an extensive business as palmist. She can tell both your past and future; that is, if you care to have your past revealed. Mrs. Huggins will be remembered as Miss Nancy Lee Wright of Etowah High School.

Richard Sentelle, heart specialist, is still trying to teach Mildred Whiteside how to win his love.

Vera Allison, Famous Physical Culturist, is now putting the world wise through her knowledge of acquiring a slim figure.

George Moffitt has won fame and fortune as Editor of a fun magazine, known as "The Daily Tell a Lie."

Mildred Whiteside, Wise Astronomer, is now publishing a volume of essays on the inhabitants of a new planet, which she has recently discovered.

Bill Arrington, director of the famous "Jazz Hounds," is on a concert tour around the world.

J. P. Huggins has mended his ways considerably and has become a minister is one of the largest Holenist churches in the south. He is also manager of the Glove Manufacturing Company at Etowah, N. C.

Cecil Morgan was appointed Official Mattress Tester for the International Bed Company, yesterday. He received his experience in Physics class at Etowah High School.

Just at this moment my husband entered, ending abruptly, my pleasant reverie. As I set about preparing his lunch, I was happy in the thought that my classmates were serving faithfully and efficiently in this world of ours. I feel a great joy in their accomplishments, and I am proud that I was a member of the class of '42.

Last Will and Testament

We, the Senior Class of 1942, being about to pass out of this sphere of education and in full possession of a crammed mind, trained memory, and superhuman understanding, and after struggling past Macbeth, Julius Caesar; realizing now that the sojourn here in this memorable school must soon come to an end, we now bid farewell to all of our friends and fond acquaintances, and do draw up, ordain, and establish this, our Last Will and Testament, and do hereby appoint and constitute the Junior Class executors of same.

Feeling that our decease will be the cause of heart-rending grief to our multitudinous friends, we do hereby request the said executors to procure sufficient speakeasies to console said grieving friends, and dispose as follows:

First: To the faculty we wish to express our sincere appreciation of all they have done for us during our high school years.

ITEM 1—I, Stella Allison, give and bequeath my spinster ways to Gertrude Duncan.

ITEM 2—I, Vera Allison, give and bequeath my melodious voice to Jewell Simpson.

ITEM 3—I, Mary Alice Merrill, give and bequeath my athletic skill and bright ways to cut classes to Mary Prince.

ITEM 4—I, Julia Davis, give and bequeath my beauty and charming personality to Maxine Orr.

ITEM 5—I, Margie Merrill, give and bequeath my love of wisdom and desire for learning to Myrtle Greer, hoping that she may receive knowledge as I have done in the past.

ITEM 6—I, Flossie Metcalf, give and bequeath my witty ways and art of making love in the hall and getting away with it, to Willie Prince.

ITEM 7—I, J. P. Huggins, give and bequeath my cute little hat and gloves to Jack Stamey.

ITEM 8—I, Richard Sentelle, give and bequeath my ability to translate Latin and my neatness to Bryan Merrill.

ITEM 9—I, Bill McKinna, give and bequeath my Apollo bearing, good looks, mild manners, to James Valsame, hoping he will thereby learn to speak only when spoken to.

ITEM 10—I, Nancy Lee Wright, give and bequeath my baby ways, along with the Senior Class privileges one hears of but never has, to Myrtle Sexton.

ITEM 11—I, George Moffit, give and bequeath my ability to work and go to school to Buster Buckner.

ITEM 12—I, Mildred Whitesides, give and bequeath my blond appeal to Agnes McLean.

ITEM 13—I, Bill Arrington, give and bequeath my bashfulness to Howard Capps.

ITEM 14—I, Ulysses Nelson, give and bequeath my curly hair and Model T to Harold Whitesides.

ITEM 15—I, Jesse Snyder, give and bequeath my ability to fire the furnace to James Earl Adcock.

ITEM 16—I, Cecil Morgan, give and bequeath my bacheloring and love of housekeeping to Bill Laughter.

In testimony whereof we, the class of 1942, hereunto set our hand and seal this 18th day of April, in the Year of Our Lord, One Thousand Nine Hundred and Forty-two, hereby making null and void all other Wills and Testaments made heretofore by us.
